Digitize work environment

From Physical to Digital.

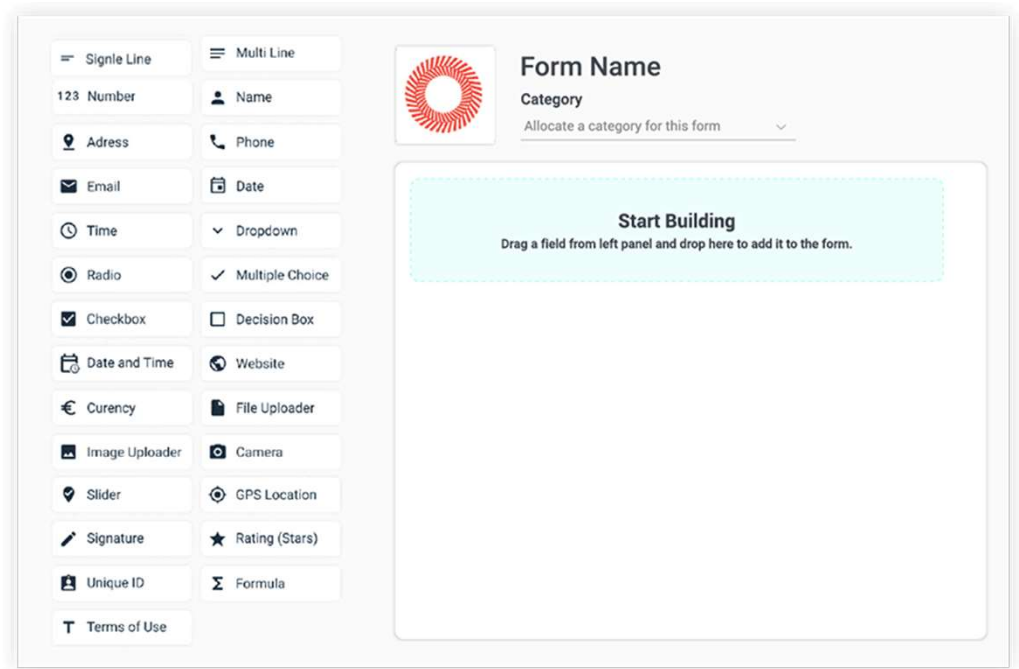

Add assets, locations, people, vendors, customers, products, parts & documents

01

Add business processes

Custom fit to how your teams work today.

Work orders, forms & checklists, production orders, emergency communications, training processes.

The screenshot displays a form builder interface. On the left, a vertical list of field types includes: Single Line, Multi Line, 123 Number, Name, Address, Phone, Email, Date, Time, Dropdown, Radio, Multiple Choice, Checkbox, Decision Box, Date and Time, Website, Currency, File Uploader, Image Uploader, Camera, Slider, GPS Location, Signature, Rating (Stars), Unique ID, Formula, and Terms of Use. On the right, a form template is shown with a red circular logo, a 'Form Name' field, a 'Category' dropdown menu, and a 'Start Building' section with a dashed border and the instruction: 'Drag a field from left panel and drop here to add it to the form.'
